

purchased by the manufacturer of the automobile truck for \$1,500 (computed as provided in this paragraph) a credit of \$150 (10 percent of \$1,500) is allowable against the tax imposed on the sale of the automobile truck.

(c) *Tires or tubes manufactured by manufacturer or other articles.* If the manufacturer of the other article is also the manufacturer of the tire or inner tube and incurs tax liability under section 4218 on the use by that manufacturer of the tire or inner tube, the amount of the credit shall be determined by applying to the fair market price of the tire or inner tube, the percentage rate of tax applicable to the sale of the other article. For this purpose, the fair market price of the tire or inner tube shall be the price at which the same or similar tires or inner tubes are sold by manufacturers of tires or inner tubes in the ordinary course of trade, as determined by the Commissioner, and by excluding, in the case of a tire, any part of the price attributable to the metal rim or rim base. The determination of the Commissioner shall be made in the same manner as determinations made under section 4218.

(d) *Other applicable rules.* (1) For purposes of this section, the term "manufacturer" includes the original manufacturer of the other article and any succeeding purchaser of the article who further manufactures the article so as to become liable as a manufacturer of an article taxable under chapter 32. Therefore, the credit provided by section 6416(c) and this section is available both to the original manufacturer of the other article and also to every succeeding purchaser of that article who sells that article on or in connection with, or with the sale of, another article taxable under chapter 32.

(2) No interest shall be paid on any credit allowed under this section.

(3) If credit is not claimed under this section against the tax applicable to the sale of the other article, the manufacturer of the other article may claim refund of an amount equivalent to the credit or may claim credit on any return of tax under this subpart subsequently filed.
